

Employee Onboarding Guide

Version: 1.0

Last Updated: January 2026

Welcome

Welcome to Acme Technologies. We are excited to have you join our team. This onboarding guide provides the information you need during your first few weeks.

First Day Checklist

New employees are expected to complete the following tasks on their first day:

- Collect company laptop and ID badge from IT.
- Activate company email account.
- Set up Microsoft Teams and Slack.
- Review the employee handbook.
- Attend the orientation session conducted by HR.
- Meet your assigned mentor.

Working Hours

Standard working hours are from 9:00 AM to 6:00 PM, Monday through Friday. Employees are expected to be available during core collaboration hours from 10:00 AM to 4:00 PM.

Hybrid employees are required to work from the office at least three days per week.

Probation Period

All new employees undergo a probation period of six months. Performance reviews are conducted at the third and sixth months.

Equipment Allocation

Every employee receives:

- One company laptop.
- One external monitor.
- A headset for virtual meetings.
- Necessary software licenses.

Any hardware issues should be reported to the IT support team.

Training Requirements

Employees must complete the following mandatory training modules within 30 days:

- Information Security Awareness.
- Data Privacy and Compliance.
- Workplace Conduct.
- Cybersecurity Best Practices.

Communication Tools

The company uses:

- Microsoft Teams for meetings.
- Slack for internal messaging.
- Jira for project tracking.
- Confluence for documentation.

Mentor Program

Each new employee is assigned a mentor during the first three months. The mentor provides technical guidance, answers questions, and assists with integration into the team.

Questions and Support

For HR-related questions, contact the Human Resources department.

For technical issues, contact the IT Help Desk.

For project-related concerns, speak with your manager or assigned mentor.
